

Hurst Dental Practice

Welcome to the Hurst Dental Practice Summer Newsletter

New arrivals

We're also looking forward to having **Dr Asiah Eldemhem** join our team at the beginning of August. Asiah will be taking on Dr Joey Hossain's patients following his departure.

Asiah qualified at the University of Dundee in 2010, and received the British Society of Restorative Dentistry award in her final year. She is dedicated to performing safe, conservative cosmetic treatments using simple orthodontic appliances to create natural, beautiful smiles.

Lauren Homewood also recently joined us as our dental receptionist. Lauren is very friendly and caring, and is happy to help with all your appointment needs.

Keep in touch,

Dr Hossain!

It's been a pleasure having **Dr Joey Hossain** as part of our team, and we're excited to hear all about the next chapter in his career. He will be greatly missed by patients and staff alike, and we wish him all the best in his new role.

All the best, Shirley

We would like to wish the very best to our receptionist **Shirley**, who is leaving after 15 years of service to spend time with her family.

Meet the team

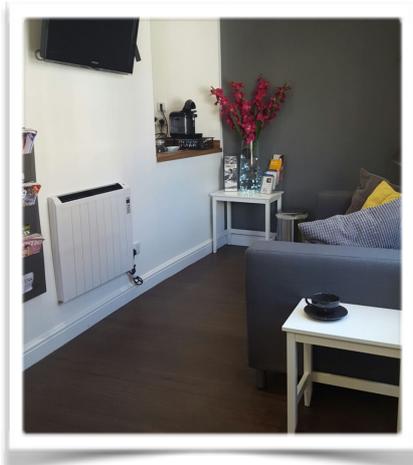

Many of you may have already met **Emma**, our practice manager and treatment coordinator. Emma joined us eight months ago, and is a registered qualified nurse who previously worked at a specialist implant clinic in Harley Street. Emma is always keen to chat to you regarding dental care queries or concerns, so do get in touch if you have any.

Our head nurse **Nina** has been at Hurst Dental Practice for a whopping 14 years, and is part of the furniture as well as an integral part of the team.

Our oral healthcare advisor **Suzi** is similarly passionate, and is an excellent nurse who really enjoys her role at the practice.

Due to the increasing demand for hygiene appointments, we welcomed **Bethany** to the team last December, and not long afterwards she was joined by **Leepika**. Both of them work extremely hard to help our patients improve their oral hygiene and, if you want to do the same, appointments are available on Mondays, Wednesday and Thursdays.

Additionally, our trainee nurse **Kasia** is due to start dental nurse school soon. She is already a fantastic nurse, and we are fully behind her and committed to her training.

Take advantage of our summer special offers

- **Would you like a crown in a day?** Using the latest 3D imaging technology, we're able to take a digital impression of your tooth and make your crown right then and there. You could be in and out with a strong and great-looking restored tooth in just two hours.
- Introduce a friend to our Enlighten teeth whitening treatment and get a **free tube of whitening gel with your next kit.**
- If you're not happy with the position of your teeth, speak to us for a **free consultation for Smileign, the clear, removable brace system,** and save £95.

We've had a facelift!

Well, the surgery has, at least! If you've not yet seen our shiny new surgery or coffee room, make sure to pop in and say hello (especially if you want to meet the new members of the team and book your next dental checkup).
